**Wed, 3 December 2025**  
**5:00pm at Town Hall**

Attending: Brendan Smith, Loren Schleusener, Cody Schaub, Wendy Von Haden, Brock Bailey, Jay Wheaton via Teams

Call to Order at 5:00pm

Formica/Estate/Essex ARIP Engineer Update Call – Jay gave an update on the ARIP project. He is still waiting for an email from the railroad; he will follow up with them. The road plans are close to being complete. Jay is pushing to complete them in December. Dealing with some permit issues. There was a discussion about the timeline for completing plans and advertising for bids.

Status Check on Road Projects

England Shouldering – this will be completed in the Spring of 2026

Town Hall Crack Seal and Paint – this has been completed

Patrolman's Update – Cody took the new truck to get repaired yesterday. Got a blade for the snowplow. Used 120 tons of sand for November/December so far. Working on getting the shop cleaned up. Going to interview some people to work at the recycling center. Cody would like to have a meeting with the city about some roads that meet up to the town roads regarding snow plowing. Cody presented a quote for a v-box sander for the truck. There was a discussion about this quote. There was a short discussion about hiring an additional patrolman.

Brendan updated the board on GEC, our building inspectors' audit.

Brendan gave an update on the Ellsworth Bridge project for 2027. The engineers are asking for some construction easement. If federal dollars are being used, a certified acquisition person has to do this, and the cost is between \$3,000 - \$9,000.

Brendan gave an update on the county's zoning enforcement issues.

Brendan will send the board members a draft copy of a camper ordinance.
